**At Obitus, we strive to take feedback on board, continue to innovate and remain competitively priced. We're making a few changes from April 2024 so we can continue to deliver great service and give families more ways to say goodbye.**

**We have worked hard to keep price changes to a minimum in the current climate, with the majority of our product range remaining unchanged.**

## Headline updates

- Any price updates are aligned with production cost rises. E.g. the digital Download link, free of charge with a Live & On Demand stream, has become increasingly popular. To keep providing this option, the cost is now reflected in the overall price.
- The Keepsake range launched in April '23 will remain the same. The new designs and options such as the Video Book, have been incredibly well received. We believe more families could benefit from Keepsakes and have held prices to support that.
- The Single Photo remains free of charge and we encourage you to follow this approach. We would like as many families as possible to utilize the digital screens and find the free Single Photo a lovely way to achieve this.
- Following the planned release of the new Themed Tribute, there are two remaining products that we are yet to release - the Bespoke Tribute and the Bundle. We're taking more time to develop and trial these products, so they have been removed for now.

## What happens next?

The new pricing will come into effect from 1st April 2024. If you would like to discuss any of the price changes, please get in touch with us. We welcome feedback and your Customer Success Manager would be happy to support you and answer any queries.
